Re-Imagineering Service For Round Stones for Size, Cut and Symmetry Analysis.	₹ 200/- per Stone

V. Other Terms

- For any rough diamond submitted for any service we will be polishing all extra parts where polish size is above 0.50 Cts without any additional costs.
- **Laser/Blade Sawing Charges, Grooving Charges or any other process which is not done in Lemon TechnoMist Pvt. Ltd, all charges will be invoiced additional at actual.**
- The charges mentioned above would be exclusive of Service Tax, if applicable, which shall be at actual and will be levied extra. However, Service Tax is currently not applicable on Cutting and Polishing as of now.
- This offer is only for Indian Clients submitting their stones to our design centres in India.
- The charges shall be payable in advance upon submission of the stone to us upon issue of the pro-forma invoice. In case where the final value of the billing is not determined at the time of submission of the stone, for ex. in case of rough stones above 50 Cts., the charges shall be paid based on LTM estimate initially and whenever the final outcome is decided, the short or excess amount shall be paid by either party.
- For Color Estimation (D to Z) Service – Client will have to provide Final OXG / MMD file with all solutions (Maximum 20 solutions) that needs analysis. Inclusions can be deleted, LTM will find location of two set of parallel windows and will polish the same by keeping all options intact provided in the MMD/OXG.
- Rechecking / Plan Confirmation shall be done only at the rough stage and not thereafter. All marking will be at rough stage only and no manufacturing assistance shall be provided.
- Prices are subject to change.
